Summary

A recent graduate looking for an internship in web design. Eager to apply my knowledge and skills in creating beautiful and functional websites.

Education

B.Tech(Hons) in Computer Science
RV University
Graduated: 2027

Web Design Certification
RV University
Completed: 2027

Work Experience

No prior Work experience

Assisted senior web designers in creating and maintaining websites. Worked on front-end development, including HTML, CSS, and JavaScript, to enhance site functionality and design.

Skills

- HTML5 and CSS
- Responsive Web Design
- Adobe Creative Suite (Photoshop, Illustrator)

Projects

Portfolio Website
Designed and developed a personal portfolio website to showcase my work and skills. Used HTML, CSS, and JavaScript to create a responsive and visually appealing site.

E-commerce Redesign
Collaborated with a team to redesign an e-commerce website. Improved user experience, incorporated modern design trends, and enhanced site performance.
